

Welcome!

At Kroger

At our restaurant and Hotel Halland, we want everyone to have a good time. You should enjoy yourself, feel good, be well taken care of, and have a pleasant and memorable experience.

Our team always want to do our very best so that you leave with great memories, whether you are just joining us for a meal or staying in one of our comfortable rooms. We work by the motto "attitude is everything" and of course want you as a guest to feel that.

If you are satisfied with us, tell your friends. If there is something we can do better, tell us.

Welcome!
